2026 Annual Maritime Ball

San Francisco Maritime National Park Association

The San Francisco Maritime National Park Association invites you to our Annual Maritime Ball on Saturday, November 7th from 5:00 PM to 9:30 PM at St. Francis Yacht Club in San Francisco, CA.

Please join us for an unforgettable night filled with live musical entertainment, gourmet cuisine, exciting auction items and Fund-A-Need. Together we will celebrate the Association's 75th anniversary legacy as founders of the San Francisco Maritime National Historical Park, and 50 years of stewardship of the World War II submarine, USS *Pampanito*. We will also honor the recipients of the Maritime Heritage Award, the Richard DeAtley Award for Excellence in Trusteeship and the John R. Tregenza award.

This event gathers the maritime community as we come together to support the preservation of maritime history and raise critical funds for our education programs, public programming, and ongoing efforts to preserve and share San Francisco's rich maritime heritage.

San Francisco Maritime National Park Association

About Us

The San Francisco Maritime National Park Association is the non-profit partner to San Francisco Maritime National Historical Park. For over 75 years, we have been dedicated to bringing maritime history to life in the San Francisco Bay Area along San Francisco's historic waterfront. We also independently manage the USS *Pampanito*, the World War II submarine museum and memorial located at Pier 45.

Each year, the Association's unique education programs at the San Francisco Maritime National Historical Park, aboard historic ships and at the USS *Pampanito* provide thousands of schoolchildren with engaging educational programs that immerse them in history and marine science. In addition, the Association works in partnership with San Francisco Maritime National Historical Park to provide public programs, music, interpretive events, and more.
